AMENDMENT

The Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the official action of October 3, 2000, please amend as follows:

In the Claims

Please amend Claim 1 as follows:

Claim 1 (twice amended)

Sub E
D
A method for providing a secondary boosting immune response in a mammal [that is] to a specific [to an] antigen to a non-enteric pathogen (NEPA), the pathogen being a pathogen that invades through a breach in the skin and that does not raise a protective enteric immune response in mammals free of acquired immunity to the pathogen, said method comprising rendering the mammal immunoreceptive to the NEPA by prior [immunizing] immunization against a non-
